Dear Mr. Rowa,

RE: LETTER OF INTRODUCTION – MR. SYLVANCE MBOHA

Greetings. This is an introduction letter for the above named person, a consultant who is currently engaged in the appraisal of one of the University's programs.

He has been contracted to develop and execute a needs assessment for the review of the Master of Arts in Leadership (MAL) Curriculum; and submit a report on the same by February 2020. This exercise is expected to guide the direction of the program in response to current trends within the marketplace.

As an industry leader with a track record of insight into the corporate sector, we have selected you as one of the key informants whose opinion we value for this process. We therefore kindly request that you allow him to conduct an interview with you for the above purpose.

For further clarification, kindly contact Dr. Truphena Oduol, Head of Leadership Department via email on: dept.leadership@pacuniversity.ac.ke.

Yours faithfully,

Prof. Dionysious Kihika Kiambi
